Transcriber's Office
FLOOR DEBATE

February 5, 2002 LB 22

Senator Jensen. I thought he would be next, so I pass.

SPEAKER KRISTENSEN: You...you are correct, Senator Wehrbein, it was my mistake. Senator Jensen, you're recognized to open on the committee amendments.

SENATOR JENSEN: Thank you, Mr. Speaker. Members of the Legislature, the committee amendment, AM5...AM0256 was actually recommended by Senator Suttle, and adopted by the committee. Senator Suttle has offered an amendment that would really replace both the original bill and the amended...amendment that came out of the committee. The bill also had a fiscal impact of \$55,215, FY '10...or '01-02; and \$48,715, '02-03. Really I...it...I won't take the time of the body to discuss the committee amendment because it will be replaced by the amendment following this of Senator Suttle's. So I...I'll defer to Senator Suttle to discuss...we can either vote green on the amendment or red on the amendment before we get to your amendment. Senator Suttle, do you...do you have a preference? Or, excuse me...

SPEAKER KRISTENSEN: Senator Suttle.

SENATOR SUTTLE: I would...I would prefer just to vote red on it and then we...if everyone would vote red on the committee amendment, and then I'll explain the...my amendment.

SENATOR JENSEN: And that's certainly acceptable to the committee.

SPEAKER KRISTENSEN: Further debate on the committee amendment? Senator Jensen, you're recognized to close. He waives closing. The question before the body is the adoption of the committee amendments. All those in favor vote aye; all those opposed vote nay. Record.

CLERK: 1 aye, 21 nays, Mr. President, on the committee amendments.

SPEAKER KRISTENSEN: Committee amendments are rejected.
